CLOTHING AND FOOTWEAR

We are definitely now in the middle of the winter months please ensure that your child is clothed appropriately. We encourage students to play outside during winter, therefore, they will need a warm coat or jacket at school everyday. It is also good for students to have footwear that they can run and play sports in. They can bring slippers to wear inside if they wish.

On Tuesdays, over the first five weeks, we will be going to Kapiti Gymnastics. So we encourage students to wear comfortable sporty clothing so they can move easily.

Please make sure your child always has a change of clothes in their bag 'just in case.' Whether they be playing in the sand/water in our newly transformed sandpit, or if they have a slip on the field. This will make it easy for them to get changed quickly if they have spare clothes tucked away.
